Satyanshu Gautam

MERN Stack Developer

+91-9179010652 satyanshugautam6@gmail.com linkedin.com/in/satyanshu-gautam

Summary

Passionate and results-driven MERN Stack Developer with hands-on project experience in building scalable, responsive, and full-stack web applications using MongoDB, Express.js, React, and Node.js. Proficient in designing clean RESTful APIs, implementing user authentication, and managing modern databases. Eager to bring strong problem-solving skills and a collaborative approach to a dynamic engineering team.

Skills

Web Technologies & Frameworks: React.js, Node.js, Express.js, JavaScript, HTML, CSS, Tailwind CSS
Database & Cloud: MongoDB, MongoDB Atlas, RESTful APIs, Git, GitHub, Vercel, Render
Tools: SQL, VS Code, Postman

Projects

Cravings – Food Delivery Web App | *React, Node.js, Express.js, MongoDB* **2026**

- Developed a full-stack food ordering platform featuring restaurant listings, menu management, cart functionality, and order tracking.
- Implemented secure user authentication and authorization using JWT and bcrypt for protected user routes.
- Managed dynamic database operations with MongoDB Atlas and handled smooth RESTful API communication between client and server.

Mingo Chat App | *React, Node.js, Express, Socket.io* **2026**

- Built a real-time messaging application enabling instant one-on-one and group chat capabilities using Socket.io.
- Engineered responsive UI components in React with real-time message updates and online status indicators.
- Configured backend event handlers for connection management, message broadcasting, and data persistence.

Personal Portfolio Website | *React, Tailwind CSS, Node.js,* **2026**

- Designed and built a modern, fully responsive personal portfolio to showcase full-stack projects and technical skills.
- Integrated a functional contact form with custom SMTP email support via Nodemailer for direct recruiter messaging.
- Deployed the frontend seamlessly on Vercel with optimized performance and clean UI/UX styling using Tailwind CSS.

Awards & Certifications

- **CyberOps Associate - Cisco Networking Academy and NIIT Foundation(2026):** Gained proficiency in security monitoring, threat detection, network vulnerabilities, and incident response operation.
- **Web Design and Development – NSDC and Skill India Digital Hub (2026):** Complete hands-on skilling in core web architecture, frontend layout design and responsive interface workflows.
- **HackInMotion Hackathon – RICR and SAGE University(2026):**Built a prototype under the 'Career and job Tech' track, applying rapid full-stack problem-solving and collaborative development within strict deadlines.

Education

B.Tech. in Computer Science and Engineering(AIML) **Graduated: 2026**
LNCT Excellence, Bhopal *CGPA: 6.71 / 10*
